

Diamond[®] Aerial Hardware

Messenger Drop Clamp | SC02MFA-SS & SC04MFA-SS

Features & Benefits

- Supports both ends of the aerial drop, without causing strain on the drop wire
- Rolled edges protect cable and technician during installation
- Permits cable to “float freely,” protected from strain/chafing
- Date code stamped on all clamps

SC02MFA-SS

Overview

PPC's Diamond[®] hardware is engineered to withstand corrosive environments for decades. The combination of superior materials and mechanical galvanization provides the lowest long-term cost of service. From aerial to underground, Diamond hardware offers a full line of solutions designed to save you more.
