

Demarcation Enclosure

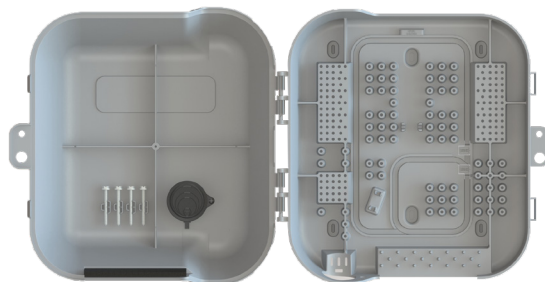

Models PHB1093 & NID1093

Features & Benefits

- Weather-resistant thermoplastic housing
- Removable back section for covering unsightly installations
- Open-ended cable slot for easier and faster installations
- Dedicated 1 inch conduit opening
- Easy access design
- Locking lid with included hardware
- Slack storage loop

- BABA compliant options available

Overview

The PHB1093 and NID1093 series demarcation enclosures provide secure terminations for coax and fiber installations. The unique design allows for easy access to any equipment; the removable hinged lid stays open when needed. The enclosure closes with two side snap latches, and can be safeguarded with a zip-tie or padlock. The internal mounting arrangement allows for a standardized method of installing coax or fiber drop components. All mounts are the same height and spaced in 1/2 inch increments per industry standards. To help cover unsightly cable portals and/or components on the side of a home, the back of the enclosure incorporates a unique two piece tearaway section (3 in x 3 in or 9 in x 4 in) that can easily be removed via a pull-tab, depending on the size needed. The open-ended, self-sealing, cable slot at the bottom of the box allow components to be assembled outside of the enclosure making for quicker installations, and eliminates entry points for insects and moisture. The dedicated 1 inch conduit opening accepts a variety of cables sizes (from 1/8 in to 1 1/8 in or 3 mm to 28 mm).

Technical Data

UV Resistance	Salt Fog	Chemical Resistance	Material
30 days per ASTM G26-93	60 days per ASTM B117-90	30 days at 100°F and 95% RH resists chipping and/or cracking when subjected to household chemicals	Copolymer Impact Polypropylene
Dimensions External (HxWxD)		Dimensions Internal (HxWxD)	
11 1/8 in x 10 1/8 in x 5 in		10 in x 9 in x 3 in	

Ordering Information

PPC Part Number	Description
PHB1093NB	Large Demarcation Enclosure (18 per carton)
PHB1093NB-SA	Large Demarcation Enclosure with SC-APC Adapter (18 per carton)
PHBFIKCX-01	Fiber Installation Kit (SC-APC Adapter, Ground Lug, Fiber Routers and Screws)
NID1093-SA	Large Fiber NID with Fiber Installation Kit (10 per carton)
NID1093-ACN	Large Fiber NID with Fiber Installation Kit and Splice Case (10 per carton)

- = BABA Compliant Product
