### Overview

PPC's double section wall mount cabinet is suitable for applications where security and accessibility are required, and floor space is at a premium.

The cabinet is designed to hold multiple pieces of voice/data equipment comfortably. Ventilation is provided to allow active equipment to be installed, making it an ideal solution for small LANs, retail units and remote sites.

PPC's double section wall-mounted enclosure is designed to hold standard 19" rack mount equipment and patch panels.

The double section cabinet features a swing out, which allows for easy back entry, a lockable glass door, adjustable front profiles and removable entry plates at the top and bottom.
