

# Medium & Large Terminal Hand-off Boxes

## Features & Benefits

- Developed specifically for wireless applications
- Outdoor rated and meets IP67 requirements
- Enclosure utilizes UL94-V0 rated plastic with UV protection
- Corrosion resistant hardware
- Hand hole, pole, or panel mountable
- Mounting flanges designed for easy installation and removal
- Integrated slack management clips
- Large terminal includes an additional slack storage spool
- Industry standard LGX panel compatible mounting bracket
- Mounting bracket is adjustable and removable using the included Allen wrench
- (4) cable glands that accept cables with a range of .210" [5.3mm] to .334" [8.5mm] diameter
- Cable glands are split design to accommodate pre-terminated fiber assemblies
- Accommodates PPC's 76MM MUX unit

E3P2A1B1C1D1NJ1-61

## Overview

PPC's Medium and Large Terminal Hand-off Boxes are designed to accept industry standard LGX adapter panels and devices used in outdoor environments. The compact form factor of this terminal makes it an ideal choice for small cell fiber connections either on a pole, on a panel, or in a subsurface application. The easily removable LGX bracket saves time for installation, test, and maintenance compared to similar solutions.

## Technical Data

Size	Dimensions (HxWxD)	Weight	Operating Temperature
Medium	10.0 in x 7.8 in x 5.72 in (254 mm x 198 mm x 145 mm)	2.8 lbs (1.3 kg)	-35 °F to 185 °F (-37 °C to 85 °C)
Large	10.0 in x 9.8 in x 5.72 in (254 mm x 249 mm x 145 mm)	3.0 lbs (1.4 kg)	-35 °F to 185 °F (-37 °C to 85 °C)

## Ordering Information

PPC Part #	Description
E2P1A1B1C1D1NJ1-61	Medium light gray terminal with LGX bracket, (4) cable glands, slack cable management clips
E2P2A1B1C1D1NJ1-61	Medium light gray terminal with LGX bracket, (4) cable glands, slack cable management clips, LGX mount panel with (6) dual LC adapter
E2P3A1B1C1D1NJ1-61	Medium light gray terminal with LGX bracket, (4) cable glands, slack cable management clips, LGX mount panel with (12) dual LC adapter
E3P1A1B1C1D1NJ1-61	Large light gray terminal with LGX bracket, (4) cable glands, slack cable management clips, and additional spool
E3P2A1B1C1D1NJ1-61	Large light gray terminal with LGX bracket, (4) cable glands, slack cable management clips, and additional spool, LGX mount panel with (6) dual LC adapter
E3P3A1B1C1D1NJ1-61	Large light gray terminal with LGX bracket, (4) cable glands, slack cable management clips, and additional spool, LGX mount panel with (12) dual LC adapter
SSE-PMB	Metal pole mount bracket kit for the Medium Terminal
SSE-PMBL	Metal pole mount bracket kit for the Large Terminal
SSE-SMBL	Aerial strand mount kit for the Medium and Large Terminals
