A BELDEN BRAND

Features & Benefits

- Adjustable shoulder strap
- Sturdy carry handle
- Custom company logo available
- Multiple Pouches
- 500’ NexReel
- Feeder loops to hold cable
- Cable payout location
- Ensures smooth deployment
- Moisture-resistant rubber feet

Overview

The Perfect Tote™ Category Cable Bag offers an effective, convenient, environmentally friendly method to deploy copper category cable in the field. The bag includes an adjustable shoulder strap, sturdy carry handle, multiple pouches and a plastic reel assembly to easily load copper cable, and then insert into the bag. The bags can be custom embroidered with your company logo and also includes rubber feet and a moisture-resistant base.
