

Diamond® Aerial Hardware

“D” Lashing Clamp | 26-09010 & 26-09015

Features & Benefits

- Stud is staked to prevent complete disassembly
- Stress-relieved stud will endure up to 30° bend without fracturing
- Mechanically galvanized hardware provides environmental protection
- Large diameter washers assure permanent attachment of lashing wire

Overview

PPC's Diamond® hardware is engineered to withstand corrosive environments for decades. The combination of superior materials and mechanical galvanization provides the lowest long-term cost of service. From aerial to underground, Diamond hardware offers a full line of solutions designed to save you more.
