Overview

PPC's single section wall mount cabinet is suitable for applications where security and accessibility is required, and floor space is at a premium. The cabinet is designed to hold multiple pieces of voice/data equipment comfortably. Ventilation is provided to allow active equipment to be installed, making it an ideal solution for small LAN's, retail units and remote sites.

The single section wall-mounted enclosure is designed to hold standard 19" rack mount equipment and patch panels.

The cabinet features a lockable glass door, adjustable front profiles and removable entry plates at the top and bottom.
